REMARKS

Entry of the amendment is respectfully requested. A Notice of Allowance was mailed September 13, 2004, and claims 1 to 5, 7 to 13 and 15 to 24 were allowed.

A telephonic interview occurred on September 2, 2004 between Examiner Gorden and Applicants' representative, Michelle Bugbee. Examiner Gorden called to discuss claims 1 to 24 of the present application. As stated in the Examiner's Interview Summary, Agreement with respect to the claims was reached, and the Examiner entered an Examiner's Amendment. Claims 1 and 15 were amended by Examiner's Amendment, and claims 6 and 14 were canceled. The Examiner's Interview Summary is correct and complete. Since no box was checked on the Interview Summary PTOL-413 regarding whether Applicants needed to provide a separate summary of the interview, Applicants are hereby submitting this Statement.

Applicants have amended claim 1 to correct an obvious and inadvertent typographical error in the claim. Claim 1 claimed that the thickness of the inner and outer cover layers was from 0.010 to 0.010 inches, and Applicants have amended it to recite the correct range of 0.010 to 0.100 inches. Support for this amendment may be found in the claims (claim 4, which depends from claim 1) and in the specification at pages 44 and 58 where the ranges are recited as from 0.010 to 0.100 inches. Applicants respectfully submit that no new matter has been entered.

The Examiner is invited to telephone Applicants' attorney if it is deemed that a telephone conversation will hasten prosecution of the application.

Respectfully submitted,

THOMAS J. KENNEDY, III, ET AL.
